Sir:

PRELIMINARY AMENDMENT

Kindly amend the application as follows.

1. (original) A composition comprising
One or more corticosteroids;
Two or more penetration enhancers; and
One or more of the group consisting of solvents and emulsifiers, wherein the penetration enhancers are present in a ratio to a total of the penetration enhancers, and solvents and emulsifiers of at least about 0.70.
2. (original) The composition of claim 1 wherein the corticosteroid comprises a fluorinated corticosteroid.
3. (canceled)
